

Take Control of Your Body and Mind!

Introducing the ScreenNJ Personal Concierge Program

We have expanded ScreenNJ services to include a program to guide you with information on the importance of cancer screenings for early detection and treatment, as well as services available for physical and emotional care management should you need them. This new service “speaks” with you over text or phone, delivering information and gentle reminders personalized just for YOU to help you stay on top of regular cancer screenings and important appointments.

It's That Simple!

If you have questions or concerns related to your cancer screenings, please call your ScreenNJ Patient Navigator at **833-727-3665**.

For more information about ScreenNJ Patient Navigator services, please see the reverse side of this flier.

How Can I Get Started?

1. Text **SCREEN** to **43386** or scan the QR code.

2. You will receive a text message linking you to an easy-to-complete enrollment form.

3. Click the link, complete the form, and submit.

4. You will begin communicating directly with the ScreenNJ Patient Navigators by text or phone. They will coach you through your screening, as well as answer any questions you may have.

What is the ScreenNJ Mobile Health Unit?

The ScreenNJ Mobile Health Unit is a mobile medical office designed to provide easy access to preventative cancer screenings, vaccinations and more. The self-contained unit travels throughout New Jersey providing state-of-the-art services to the medically underserved.

What kind of care can I receive?

We provide health services to help prevent and detect cancer. This includes checking one's risk for lung, breast, family history (genetic services) as well as providing HPV-cervical, colorectal and prostate screenings.

Do I need medical insurance to use the services provided on the mobile health unit?

No medical insurance is required. Cancer screenings are provided to those who fall within the screening guidelines. There are no costs for preventative screening services offered on the mobile health unit.

Do I need to make an appointment to receive services?

No appointments are needed to receive services but pre-registration may be required.

How long does a visit typically last?

The length of the visit will vary depending on the nature of the care received. In general, each medical visit is approximately 20 to 30 minutes, not including wait time depending on the queue.

What ScreenNJ staff will be on the mobile health unit?

Our Mobile Health Team includes an Advanced Practice Nurse (Clinical lead), Patient Navigator/Medical Assistant, Community Services Coordinator, and the Mobile Health Unit Driver. On occasion our outreach team may be available to share education and health literacy information to the community.

Is the Mobile Unit wheelchair accessible?

Yes, the ScreenNJ Mobile Unit is wheelchair accessible.

If I need follow-up care, who do I contact?

Patients will be referred to their local provider and healthcare facilities for further evaluation.
